2012 FACT SHEET

OVERVIEW

With an adventure for every family member, Wild Adventures (WA) is a theme, water and animal park rolled into one. The size of 155 football fields, it is the area's number one attraction. The park has the South's largest ride collection including major roller coasters, hundreds of animals and the region's largest water park. WA also hosts festivals and events for every adventurer, throughout the season.

Open select days March through December, WA is located in Valdosta, Georgia.

EDUCATIONAL PROGRAMS

WA is dedicated to exploring the imaginations of students and educators in a one-of-a-kind setting. The park has educational programs and band and choral performance opportunities for any grade level select days throughout the season, such as Homeschool Days and

educational events. WA also provides band and choral students the opportunity to perform in front of thousands of park guests.

GROUPS

Wild Adventures hosts groups of all sizes for a day of endless adventures and is ready to host your company or group! Call Group Sales at 229-219-7144 for more information or to start planning your group outing

HISTORY

WA grew out of the vision of a local family and began as a weekend horse farm. The farm later evolved into a full-fledged amusement park with concerts, playground, animals and thrill rides. Now, under Herschend Family Entertainment, the park continues to grow and become the region's premiere water and theme park.

DINING

- It's an adventure in eating with a delicious selection of food including pizza, hamburgers, corn dogs, salads and more
- More than 20 dining locations offering indoor and outdoor dining options

SHOPPING

- A variety of fine gifts, collectibles, stuffed animals, apparel and more
- Seven shopping locations throughout the park

HOURS OF OPERATION

The park is open to the public, select days, March through December.

ACCESSIBILITY

The park is wheelchair accessible; wheelchairs available on site.

PARKING

Parking is available on-site, $10 for cars, trucks and motorcycles and $12 for RVs.
