Our Disability Guide is a helpful resource to assist in planning your day and making informed decisions about the various attractions, rides, services and amenities in our Park. If you need additional assistance, please feel free to ask any Team Member. We proudly offer a wholesome, family-fun environment for our Guests, and we are here to help Create Memories Worth Repeating™ for you and your family.

Our Guide Map is available inside the Park turnstiles and includes a layout of the Park. The day's show schedule is also available.

To maintain the Park's family atmosphere, we ask that all Guests be courteous to other visitors and Team Members. Please abide by all safety information posted throughout the Park or provided by our Team Members.

Thank you for your consideration and enjoy your day at Wild Adventures.

TICKETS

At the Front Gate, you will find clearly marked disability accessible windows for purchasing admission tickets and Season Passes. Regular admission and Season Pass prices apply. (Prices are subject to change without notice.)

GUEST RELATIONS

Guest Services is located to the left of the turnstiles and provides a variety of services and information about Park amenities and services.
