2013
Choral & Band Performances

After many requests from both schools and park guests alike, we will be welcoming numerous visiting school bands and choral groups throughout the season. If you are looking for a performance venue for your school band or choir, consider bringing them to Wild Adventures!

School Group Performance Guidelines

Pre-Arrival

- Due to the nature and atmosphere of Wild Adventures, all directors are required to send a short recording of their performance group along with a photograph at the time of application. Please send recording and application as soon as possible, as space is limited.
- A group reservation must be made through Wild Adventures' Group Sales Office at least 14 days in advance of visit. Call toll free 1-800-808-0872 to make your reservation (ask for the Performing Groups Representative). If you have previously made your group reservation, a confirmation will be sent for the group admission. Performing group's admission is based on the applicable group rate.
- You will receive information on your performance time prior to your arrival. All performance times will be scheduled on a first come, first served basis.

Wardrobe

- Groups must be attired in appropriate performance wardrobe. Matching shirts (no offensive language, slogans allowed) with name of band or school worn tucked into bottoms. Appropriate shorts or pants may be worn.
- Unfortunately, we are unable to provide changing areas for your performers.

Arrival

- Buses will be instructed to park in Wild Adventures motorcoach parking lot.
- For groups that need to pick up their tickets, the contact (only) will proceed to the Group Sales ticket window. Entertainment schedules and park maps will be given at that time.
- Please plan to arrive at least 30 minutes prior to your scheduled performance for equipment set-up. A Wild Adventures representative will greet your bus and escort the band to a warm up practice area (if desired).
- Equipment cases are to remain on the bus.
- It is recommended that tickets for parents and guests of the group should be distributed before the group enters the park to perform. After the performance, if guests wish to exit, they should have their hand stamped for re-entry into the park if they wish to return on later in the day.

Performance

- The Wild Adventures representative will then escort your group to the performance area inside the park. The venue is outside with no cover.
- Sorry, no technical equipment will be provided by Wild Adventures (i.e. risers, music stands or chairs).
- Electric can be provided for groups that bring an extension cord.
- March in will be in either single line or double line.
- In the event of inclement weather, Wild Adventures reserves the right to cancel performance.
- A school banner with name and city is welcomed and encouraged.
- Music is to be an upbeat arrangement and performance should not exceed 30 minutes.
- Gymnastic stunts and/or fire batons are not permitted.
- After the performance, the Wild Adventures representative will escort the band group back to the motorcoach parking lot where instruments will be stored on the bus.
- Having sheet music secured in a binder with sheet protectors is helpful for the students' performance.
