

ALLERGEN GUIDE – MILK AND DAIRY FREE SELECTIONS

Wild Adventures will use reasonable efforts to prevent the introduction of the allergen of concern into the food through close attention during our sourcing, preparation and handling processes. However, it is ultimately up to the Guest to use his or her individual discretion to make an informed choice regarding where to order any particular items. Wild Adventures cannot guarantee that allergens may not have been introduced during another stage of the food chain process, or even inadvertently, during preparation. We do not have separate kitchens to prepare allergen-free items or separate dining areas for guests with allergies or intolerances.

*please note that Soybean oil is used with all fried foods. It is possible for multiple items to be prepared in the same fryer as another item that may contain this allergen.
